SCHOOL HEADLINES

- ◉ TGMS is ambitious, inclusive, and thriving
- ◉ The [Ofsted report](#) confirms our direction
- ◉ The real TGMS story is even richer
 - *“Pupils’ personal development is exceptional. The school provides extremely strong welfare and pastoral support steered by the school’s values.”*
 - *“Pupils flourish” and benefit from a “rich set of experiences that develop their understanding of the world around them.”*
- ◉ Now is the time to refine what happens in the room
- ◉ Let’s keep making TGMS **Unmissable**

- **Good** in Quality of Education
- **Good** in Behaviour and Attitudes
- **Outstanding** in Personal Development
- **Good** in Leadership and Management

SCHOOL HEADLINES – IN THE ROOM IMPROVEMENTS

- **Ofsted-identified area for further development:**
 - *In a small number of subjects, we need to ensure we are consistently checking that pupils have securely understood and remembered their learning, so we can close any gaps more quickly.*
 - *Pleasing that this aligned with our self-evaluation*
- 1) **Teaching Habits & Attention**
 - Embed consistent routines (Teach Like a Champion – Doug Lemov)
 - Teaching, Learning and Curriculum Principles [Version 2](#)
 - Improved Learning
 - Improved behaviour (perception by pupils and staff)
- 2) **Managing and Supporting LSAs More Effectively**
 - Whole-school process for LSA deployment and development
- 3) **Further Areas in the School Development Plan:**
 - ICT upgrades across the curriculum; Guiding Digital Childhoods; School AI principles; Premises Development (incl. the fabulous new Rainbow Room); Onboarding Premises/Office Staff; Refining the Curriculum (particularly Writing – 2nd year of FLAP Writing)

FUNDAMENTAL PRINCIPLES OF TLAC: HOW TO GET THE MOST FROM ALL TEACHING

- “Attention is the currency of learning.”
 - – Doug Lemov
- “What we attend to becomes our reality.”
 - – Marian Diamond
- “The brain is not designed to think; it’s designed to save you from having to think.”
 - – Daniel Willingham
- “Learning is a change in long-term memory. If nothing has changed in long-term memory, then nothing has been learned.”
 - – Paul A. Kirschner
- “The teacher's task is not to drill the child, but to set up conditions under which the child can most effectively learn.”
 - – William James

TEACHING HABITS & ATTENTION

"I never teach my pupils.
I only attempt to provide
the conditions in which
they can learn."

So, this year's **TGMS Terrific Learners** has been inspired by Einstein.

In partnership with the school, how can you promote the **Terrific Learner** principles with your child?

STARTING STRONG: HOW PARENTS CAN SUPPORT TRANSITION INTO NEW CLASS

- Identify, encourage and celebrate positive habits you see forming
 - Reading routines – quality over quantity
 - Multiplication tables games and apps (e.g., Times Table Rockstars)
 - Building independence: dressing, organising school bag, handing in homework, remembering PE kit, etc.
 - Establishing good sleep routines and healthy screen habits (*much more support to come on this!*)
- Make use of the [Curriculum Area](#) of our website
- Stay Connected: The TGMS Parental Engagement Model

TGMS's Parental Engagement Model

Parental Involvement with the School

Parental Involvement with Schooling

Parental Engagement with Pupil's Learning

Better Outcomes for our Pupils

- Parents and Carers attend Parents' Evenings and receive information about their child
- Parents ensure their child does their daily reading and weekly homework including spelling, multiplication tables and English/Maths/Topic task(s)
- The school suggests and leads learning interventions, both in and out of school, to accelerate the pupil's learning

- Parents discuss their child's progress and learning behaviours with the teacher on Parents' Evenings, then apply the advice to support their child at home
- All homework is consistently completed, including daily reading (balance of independent and collaborative comprehension), and multiplication tables and spelling verbal practice
- Parents contribute their views towards learning interventions (academic, social, emotional)
- Parents attend the school's parental support workshops

- Active discussion between parents and teacher regarding the pupil's learning on Parents' Evenings, using Termly Scorecards and data from internal assessments to support
- Homework is completed with a mindful balance between independence and support
- Parents lead home intervention using Termly Scorecards and assessment data to inform the areas to support their child with
- Parents use the school's remote learning platforms to engage their children
- The parents and school are successfully aligned for the benefit of the pupil

STARTING STRONG: HOW PARENTS CAN SUPPORT TRANSITION INTO NEW CLASS

- The TGMS Parental Engagement Model: Key areas for alignment
 - Safeguarding and Well-being
 - Academic approach (beyond simply grades)
 - *For Secondary Transfer Test (11+) related conversations, please reach out to the Senior Leadership Team.*
 - *Y4 and Y5 pupils sit the optional CAT4 assessments in October to support/guide parents and teachers in this area*
 - Attendance: 96%+ target
 - Behaviour: a reminder of some policy principles

1

No smartphones before high school

Parents should delay children's entry into round-the-clock internet access by giving only basic phones (phones with limited apps and no internet browser) before 9th grade (roughly age 14).

2

No social media before 16

Let kids get through the most vulnerable period of brain development before connecting them to a firehose of social comparison and algorithmically chosen influencers.

3

Phone-free schools

In all schools from elementary through high school, students should store their phones, smartwatches, and any other personal devices that can send or receive texts in phone lockers or locked pouches during the school day to free up their attention.

4

More independence, free play, and responsibility in the real world.

That's the way children naturally develop social skills, overcome anxiety, and become self-governing young adults.

Y4 TOP TIPS: ENGLISH AND MATHS

- We teach English in class groups and appropriately scaffold the tasks to meet the needs of all children, using a range of strategies and resources.
- Daily reading and writing lessons, with embedded spelling, punctuation and grammar (SPaG).
- Presentation - focus on neat handwriting and pride in their work.
- Phonics embedded in guided reading for all, and intervention groups for pupils who need additional support. We also use Bug Club Phonics for these.
- We group the children in maths to best facilitate the way they learn (not based on ability):
 - Supported (a smaller group with additional adult help)
 - Parallel (balance of scaffolded learning and independence, and additional challenge)

ACCELERATED READER

We use Accelerated Reader software to help us assess and monitor your child's progress.

- **Diagnostic** tests - (Star Reader tests): these are taken at half termly intervals throughout the year.
- **Tracking** – The tests give us the children's reading ages and ZPDs (their reading levels)
- **Identify** – They also highlight any dips/jumps in progress to inform our monitoring and intervention programs.

IT ADDS UP!

If you read just 15 minutes a day, in one year you will have read over 1,000,000 words!

Reading ability is like a muscle. If you don't exercise it often, you will not maintain the same level of reading ability as you get older. So - "use it or lose it!"

Y4 TOP TIPS: ICT PREPARATION

ICT, Log-Ins and Confidentiality:

- Your children will have a Log In for the following platforms:
 - ✓ My Maths 
 - ✓ Accelerated Reader 
 - ✓ Google Classroom (linked with their email)
 - ✓ Bug Club phonics 
 - ✓ Times Table Rock Stars 
- For safety reasons and to model best-practice to our children, we are moving away from the writing down of usernames and passwords. Please work with your children to memorise theirs

Y4 Top tips: Our PSHE and RSE Scheme

The government made Relationships and Health Education **statutory from September 2020** in primary schools.

Sex education is **not** compulsory in primary schools; some topics in years 4, 5 and 6 will be optional.

Jigsaw PSHE meets all the expectations of the DfE guidance and covers the compulsory topics that need to be delivered by the end of KS2.

REMOTE LEARNING AND HOMEWORK

At TGMS, we utilise Google Classroom: a blended learning platform developed by Google for educational institutions. It simplifies creating, distributing, and marking children's learning.

My Maths homework: Set Monday, due Thursday (My Maths lunchtime support club is available)

The first one is to be set next week

English/Topic homework: Set Thursday, due Monday. This will be a blend of bookwork and Google Classroom tasks

Spellings: Set Friday for the following Friday

Homework Club: On Fridays, if struggling to complete at home

HEALTHY EATING

- Sports top water bottle (named) – not overly enormous and metal, please
- Fresh fruit or vegetable snack (named container) for morning break
- Balanced, healthy lunch

UNIFORM

- **Be Smart, Be Proud:** Our uniform is a key part of our school identity. Wearing it correctly not only builds pride but also helps support a focused learning environment. Let's bring that smart look back with exceptional standards!
- **Hair Matters:** Hair longer than shoulder-length must be tied back so pupils can actively participate in lessons, and so we can keep everyone safe and engaged.
- **Jewellery & Watches:** For health and safety, only plain stud earrings and watches are allowed. All jewellery must be removed (or safely taped) for PE lessons.
- **Shoes Matter:** We've noticed standards slipping when it comes to footwear. Please ensure your child wears practical, safe, and smart shoes to school—no trainers, open toes, or fancy alternatives.
- **Uniform Support Available:** Need help finding or affording uniform items? Our PTA runs a pre-loved uniform shop, where items are available from just £1. It's a simple, cost-effective way to keep your child looking sharp.

PE KIT AND EQUIPMENT

- **Must be named** (stitched/iron-on name badges are best).
- Kit in school at all times.
- Must include: socks, indoor kit, outdoor trainers and warm outdoor kit.
- Swimming kit for Y4

We will notify parents when swimming will start. Note, only some Y4 pupils will take part in swimming interventions – those who need additional support to reach the KS2 standards that most pupils reached in Y3.

Note: Please help your child to learn how to fasten their own ties.

STATIONERY EQUIPMENT

Small, practical pencil case (no big furry unicorns please!)

Essentials:

- School's recommended handwriting pen
- Pencils (including colours)
- Small ruler
- Glue stick
- Rubber

Extras:

- Whiteboard pen
- Gel/felt pens
- Maths equipment
- Purple editing pen

SCHOOL COMMUNICATION

- Parent Portal – Arbor
- Extra-curricular Opportunities:
 - Private music lessons during the school day
 - Clubs – staff-led and private lettings
 - Pupil Premium funding – 1 paid-for opportunity per term
- Parent meetings, SEND meetings, Open Classrooms, Reports
- White Cards – sent home last week to all pupils. Please complete and return ASAP.
- Free School Meals/Pupil Premium – We encourage you to complete the form and return it to us. If eligible, there are real benefits for you and your child.
- Class Representatives – We would really appreciate at least one per class to liaise with the office and the PTA.
 - The WhatsApp groups are useful, but not an official school communication channel

SCHOOL COMMUNICATION

- All emails directed to TGMS staff must be sent to the School Office: office@tylersgreenmiddle.co.uk. This is the most reliable way to get a message to teachers. Please add this email address as a contact
- **Illness** – to be communicated by 9 a.m. on a daily basis to the School Office by phone or email
- **Absences for short medical visits or appointments:** Please email the School Office
- **Leave of Absence request form (if absence is a half day or more):** on our website under Families > Forms
- **School Events:** Website Calendar under News and Events > Diary dates (you can subscribe to the calendar)
- **Letters:** Each year group has a website page for year-specific letters, in addition to the whole school letters, found under Families > Letters/presentations
- **Google Forms:** used for signups, consent, etc - The link will be sent to you via email if there is a form for you to complete

ANSWERS TO F.A.Q.

- Handwriting pens can be purchased from the office for £1
- We have a card machine in the office which can be used for the above transactions, and others (20p transaction fee)
- School clubs offer – secure your child’s places with our letting partners ASAP through links on our website. Sign-ups for staff-led clubs will be sent out in September
- **Concerns and complaints** - We are very proud of our track record in being open and honest with our parents, working with them and embracing feedback. However, we have a robust policy which outlines the process if you have a concern or complaint:

<https://tylers-green-middle-school.secure-primariesite.net/policies/>

ANSWERS TO F.A.Q.

- **Advice concerning drop-off and collection around our school:** We have an aim of creating a voluntary car-free zone around our school. This is good for everyone's health and safety, promoting clean air and supporting our relationships with our community and neighbours. Please respect our 5-minute Walking Bubble and Parking Promise.

- **Volunteering:** We regularly ask for parent volunteers to support with trips, events and art – please look out for the invites and respond if you can!
- **Work opportunities:** Keep an eye out for vacancies posted on our website

PROVISIONAL DATES/TIMINGS

Monday 23rd Feb 2026

Monday morning, take the children directly to the centre for 10.00 am. Please do not be early!

The children should arrive in their outdoor clothes and shoes with their day bag separate from their overnight bag.

Inside their day bag, the children should have their packed lunch

(in a disposable bag), a bottle of water, inside shoes and a pen or pencil.

Wednesday 25th Feb 2026

Pick up the children after lunch at 2 pm.

HOW CAN YOU PREPARE YOUR CHILD?

- Organise a sleepover before 23rd of February
- Reassure them that they'll have so much fun with their friends
- Teach them to make a bed
- Encourage them to wash/shower themselves
- Encourage them to organise their own belongings
- Teach them to keep their bedroom tidy
- Pack their bags together

Communication:

Children are not allowed to phone home.
No mobile phones

Any communication will be by Email unless in the case of an emergency, when we will telephone parents.

Emergency contact may be made with the school party via the school mobile out of school hours.

MEDICAL MATTERS

- Hayfever tablets, Piriton, etc must not be carried by the children.
- If they are needed, please complete a medical form prior to the trip.
- Please discuss any relevant personal matters with the TGMS staff to avoid any embarrassment or upset.

COST OF TRIP – EXPECTED

With the booking not yet officially confirmed by Woodrow, let's look at last year's costs. It's common for a provider to have around 5% annual increase, but we will confirm.

- ▶ Total cost of trip is £228 – this covers accommodation, meals, tuition, use of specialist equipment and insurance
- ▶ In accordance with DfE regulations, £107.50 is compulsory to cover board and lodging, and the school is requesting an £120.50 voluntary contribution (activities and tuition)
 - ▶ *Whilst there is no obligation to pay the voluntary contribution, this trip cannot be funded without the overwhelming majority being paid*
- ▶ Initial deposit £65 by Friday 26th September then the balance is to be paid by 10th January 2025
- ▶ Online form also to be completed by 26th September to confirm your child's place
- ▶ Cancellation charges may apply if you then withdraw your child, details in initial letter

NEXT...

- ▶ Please complete the online form and pay the deposit on Arbor to confirm your child is attending the trip – deadline is Friday 26th September.
- ▶ Nearer the trip, you will receive the packing list and will need to complete online consent form regarding photos, medication and emergency contacts
- ▶ Please complete all forms promptly to help with trip administration

THANK YOU VERY MUCH FOR ATTENDING THIS WELCOME EVENING

If you would like to ask us any further questions, please feel free to catch one of us after this meeting.
