

“Be yourself, be anything, we are the future.”

4th March 2025

Dear Parents and Carers,

As the holy month of Ramadan begins, we extend our warmest wishes to all our pupils and families observing this special time. At Tylers green Middle School, we recognise the importance of Ramadan to many in our school community and are committed to supporting our pupils in their religious practices.

To help us provide the right support, we kindly ask parents to inform us if their child intends to fast during Ramadan. This will allow us to ensure appropriate arrangements are in place to support their well-being throughout the school day.

We understand that fasting can present physical challenges for young children and we want to ensure they feel comfortable and supported in their choices. For example, if your child would prefer not to be in the lunch hall during lunchtime, they are welcome to use the Gold Garden as the quiet area to read, instead. Additionally, Mrs. Bawany, who is also observing Ramadan, has kindly offered her room as a space for pupils who may wish to pray during lunchtime.

Please communicate your child's participation in fasting by contacting the school office as soon as possible. You can reach us via telephone at 01494 812465 or email at office@tylersgreenmiddle.co.uk.

Thank you for your cooperation and understanding. We wish all our families observing Ramadan a peaceful and fulfilling month.

Yours sincerely,

Mr Sam Isaacs
