## Getting Help

Here at TGMS, part of our job is making sure you feel safe and happy, in all parts of your life – including online!

If you ever have a worry about something that's happened online, you can come to us for help and advice. We'll always listen carefully and give you some ideas of what you can do. Sometimes, if we're worried that you or somebody else might be in danger, we have to pass on what you've told us to a special member of staff. At TGMS that person is Mr Isaacs who has the safeguarding responsibility.

If we have to speak to them, it's not because you're in trouble, it's just because they have the special job of making sure every child here is safe.

## **The Safer Internet Day poem**

Going online can be so much fun,  
You can play, and chat, and find out.  
But when things change and you feel unsure,  
Then that's when it's time to shout...  
"Something has changed, and I need some help,  
What's happening doesn't feel good."  
Things will get better when a trusted adult knows,  
And your feelings have been understood.
