Save money on your energy bills with the Energy Doctors

Our team of Energy Doctors at Buckinghamshire Council can help you stay warm and save money by improving the energy efficiency of your home for free.

We can:

- visit your home and advise how you can reduce your energy use and costs.
- install suitable low-cost energy efficiency and water saving measures such as draught proofing for windows, LED bulbs, portable solar generators, aerating shower heads and more.

Eligibility

To qualify for a visit your home must meet all of the following criteria:

- you rent the property through a private rental agreement, or own and live in the property
- your household has an income of £30,000 or less (before tax), is in receipt of means tested benefits such as Universal Credit and Council Tax Support, or a member of your household is disabled
- the domestic property you live in has an energy performance certificate (EPC) rating of D, E, F or G, or does not legally require an EPC
