

Walking with you Safeguarding 2021

- Please be mindful that the **Walking With You** sessions are confidential. Out of respect for other participants, we request, that any confidential information discussed during the sessions, such as names or other personal information are not shared outside of the group.
- If at any point we feel you or your child are at risk, we may need to contact you after the session. The Participation Lead will send to you any relevant information needed, contact numbers/sign posting details. We will also put you in touch with a CAMHS clinician, should you wish to take your concern further.
- In more serious matters, the CAMHS clinician may contact you directly, should they feel you need further immediate support. In this case the Participation Lead will share your details with the CAMHS clinician.

Should you have any questions, concerns or suggestions regarding the above, please contact:
