

TGMS ROAD SAFETY TOP TIPS

WHATEVER
YOUR SCHOOL
RUN ROUTINE -
TAKE CARE,
STAY SAFE, IN
TYLERS GREEN

WALKING

**STOP, LOOK, LISTEN, THINK.
TAKE CARE WHEN YOU ARE
CROSSING THE ROAD.**

**FOCUS ON YOUR
SURROUNDINGS.
PHONES AND MUSIC
CAN MAKE IT HARDER
TO SPOT DANGERS.**

**USE SAFE CROSSING POINTS. LOOK
OUT FOR MR HOWARD AT THE
CROSSING PATROL AND NEVER
CROSS BETWEEN PARKED CARS.**

**BE BRIGHT BE SEEN. WEAR
SOMETHING BRIGHT OR REFLECTIVE
SO DRIVERS SPOT YOU.**

**WALK WITH A BUDDY. IT
MAKES YOU MORE
VISIBLE AND THE MORE
EYES AND EARS TO SPOT
DANGER, THE BETTER!**

Road Safety Week 
by  **Brake**, the road safety charity

CYCLING & SCOOTING

**HELMETS ON! A FITTED
HELMET CAN STOP A
BUMP FROM BEING A
MORE SERIOUS
INJURY.**

**WATCH OUT FOR PARKED CARS
SUDDENLY OPENING THEIR DOORS
AND TAKE CARE WHEN CROSSING
DRIVEWAYS.**

**SIGNAL AND SMILE. MAKE YOUR
MOVEMENTS CLEAR TO DRIVERS.**

**ABC BIKE CHECK. AIR,
BRAKES, CHAIN. AIR IN
THE TYRES, BRAKES
TIGHT, CHAIN RIGHT!**

**WEAR BRIGHT CLOTHES WHEN
CYCLING. FLUORO FOR DAY, LIGHTS
FOR NIGHT.**

DRIVING

**CHECK YOUR TYRES- THEY NEED TO
BE PUMPED AND GRIPPY. TYRES
NEED AIR AND TREAD TO HELP THE
CAR STOP SAFELY, ESPECIALLY IN
THE RAIN.**

**CHECK YOUR LIGHTS.
HEADLIGHTS AND BRAKE
LIGHTS HELP DRIVERS SEE THE
ROAD AND HELP OTHERS SEE
YOU.**

**ALWAYS WEAR
YOUR SEATBELT.**

**PARK SAFELY. DO NOT BLOCK
DRIVEWAYS OR PARK ON
YELLOW LINES.**

**CARS NEED MOTS AND
REGULAR CHECKS —
BRAKES, TYRES, WIPERS,
LIGHTS — SO THEY WORK
PROPERLY AND DON'T
BREAK DOWN.**
