

"Be yourself, be anything, we are the future."

1st March 2024

Dear Parents,

Many thanks for all your support with our School Travel Plan initiatives so far this year.

News

We are delighted with how our children and families have engaged with our initiatives in steps towards improving our School Travel Plan. We are delighted to announce that we have achieved our **Excellent Level Travel Plan (Gold)**! This means that we have shown a shift away from car use in pupil travel (of at least 5%) and that we have successfully run many sustainable travel initiatives. We are delighted with how our combined efforts have impacted positively on our community.

You may already be aware that your child had the opportunity to design a badge for WOW- the walk-to-school challenge. The badge theme was 'Walk with Imagination' and we had some glorious entries! These were the winning designs from each class. Three of these are being put forward as entries to the nationwide competition, hoping that one could become an actual badge in the next academic year!

Congratulations to **Theo 3V, Vivien 5OD and Sophia 6B** and thank you to everyone who took part for making the choice so difficult!

Parking Promise

We would like to remind parents that you can continue to sign up for our Parking Promise on our website. When your stickers are displayed proudly in your car, it lets local people know the importance our school puts on safe and considerate parking. If you have been expecting a sticker and have yet to receive it, please send your child to Miss Baker who can issue one.

Tylers Green Middle School

Cock Lane, Tylers Green, High Wycombe, Bucks HP10 8DS

Tel: 01494 812465 **Email:** office@tylersgreenmiddle.co.uk **Web:** www.tylersgreenmiddle.bucks.sch.uk

Headteacher: Mr. S Isaacs BA (Hons), MA (Ed)

Upcoming events

Bikeability will be running in April and some of our Year 5 children have opted to take part to earn their Level 2 Road Safety cycling standard. Children have always enjoyed their week of sessions and we hope the current Year 5s will be no different!

Walk to School Week is back in May. The theme this year is **'The Magic of Walking'**. The challenge encourages children to travel actively to school every day of the week, whether on foot or by cycling and scooting. If walking the whole distance to school is impossible, please consider parking at least 5 minutes away from school and walking the last part of your journey.

Other community initiatives

We wanted to remind you about [FixMyStreet](#), a website and app you can download to your phone. Through this, you can report any problems from fading yellow zig-zags to broken kerbs and roads.

- Log on or go to the APP
- Enter a nearby UK postcode, or street name and area
- Locate the problem on a map of the area
- Enter details of the problem
- They then send it to the council on your behalf

We look forward to continuing to improve our School Travel Plan over the Summer Term.

Miss Baker
