

"Be yourself, be anything, we are the future."

14th November 2023

Dear Parents and Carers

Road Safety Week begins next week and runs from 19th to 25th November. It is a nationwide campaign led by Brake, that focuses on raising awareness about road safety issues. Road Safety Week inspires thousands of communities to take action on road safety to help ensure that everyone can make safe and healthy journeys every day. Each year there is a theme, and this year it is **'Let's Talk About Speed'**.

To mark the week, our School Council are currently putting together an informative video to be shared with you via our website. We will also discuss the importance of Road Safety in school and invite you to talk to your children about it too. The websites below will help you to have these conversations with your children.

<https://www.brake.org.uk/>
<https://www.brake.org.uk/zebras>

We will also be running surveys on Monday 20th November to find out how children and staff usually travel to school. This will help to show our progress towards our sustainability goals.

For those who are unaware, we have also made it onto the shortlist for **Best TravelWise Week Campaign in schools!** <https://modeshift.org.uk/modeshift-news/travelwise-week-awards-finalists-announced/>

This is a national competition in which we are one of only four finalists. The children have been fantastic and we could not have done this without all your support.

Many thanks again,

Miss Baker
