

"Be yourself, be anything, we are the future."

13th October 2023

Dear Parents and Carers,

'Be Bright, Be Seen' Week is taking place across the country next week, from the 16th to 20th October.

As the nights start to get darker and the clocks go back on October 29th, it is increasingly important to be bright and visible on the way to and from school. On **Friday 20th October**, we would like to invite the children to come to school dressed in their normal school uniform, but with extra fluorescent/ bright clothing. We do not expect parents to buy anything special, but to find things you may already have at home. Perhaps you have some bright yellow socks, hats, gloves, or hair bands? Or have a high-vis jacket or bands? This is also the perfect time to check the batteries on your bike lights or add reflectors to your scooters.

Thank you for your continued support of initiatives we run in school. Remember that throughout October, you can also be using the free app iNaturalist to photograph wildlife on your walk to school. Great work to those who have done so already!

Miss Baker
