

PARENTS' PARKING PROMISE

Parking too near to school entrances puts children in danger

The area outside our schools are busy in the morning and at the end of the school day. Parents who park close to entrances act irresponsibly, potentially placing children in danger. The 'School Keep Clear' Zig Zags should maintain an area free from parked cars. This allows children and parents walking in and out of school to cross safely, where they can see and be seen by approaching traffic.

Parking thoughtfully makes the Village safer

Parking too close to a junction, parking on yellow lines, blocking driveways or parking on the pavement can all pose a hazard to other members of the Village community.

Using the car less would help reduce the congestion and danger

Many children are driven to school when they could easily walk part or all of the way. Walking has various benefits including health benefits and the chance for your child to chat to their friends along the way.

- Helps keep children fit and healthy;
- Develops traffic awareness skills;
- Keeps the environment cleaner;
- Reduces traffic outside school at starting and finishing times.
