

“Be yourself, be anything, we are the future.”

30th April 2025

To the Parents and Carers of Children in Year 6

Dear Parents and Carers,

As part of our design and technology topic, “model villages”, we will be visiting Bekonscot Model Village on Thursday 5th June. As well as walking around the model village, the children will learn about the process of building models.

The children need to bring a packed lunch in a disposable bag, together with a bottle of water. Please ensure your child brings a waterproof coat if the weather looks unsettled, or a sun cap with suncream applied before school if we are lucky with the weather on the day. We will be leaving school at 9.30am and will return by 3.00pm. Please note that we will not be visiting either the shop or the restaurant, so no money is required.

In order to cover the cost of the trip we are requesting a voluntary contribution of £14.97 per child, **to be paid via your Arbor account by Tuesday 20th May**. Through payment of the contribution it will be deemed that you have given permission for your child to participate in this visit. Although we need to cover the cost of the trip, we would not deny any pupils the opportunity to participate because of financial problems. Where there are such difficulties, please contact the school office as you will need to give separate consent for your child to participate. **If we do not have sufficient contributions, the visit will not be viable and may have to be cancelled.**

If your child receives Pupil Premium funding and you wish to discuss with school whether it could be used towards the cost of the trip, please contact the School Office.

We require 3 parent helpers for this trip. If you are able to offer your help please complete our online parent helper form at the following link and we will then be in contact with you:
