Quality of Education

An ambitious yet inspiringly diverse curriculum that engages, excites and encourages a love of learning: ensuring all children access the skills, knowledge and mindset to become autonomous learners.

Behaviour, Attitudes & Wellbeing

We live by our school values, provide a safe, nurturing & inclusive environment that enables pupils and staff to strive for excellence & fulfill their potential.

Personal Development

Through a discovery learning philosophy every child will develop self-belief and resilience, embodying societal values and life skills to thrive in their world.

Leadership & Management

Visionary leadership and dynamic management, supported by effective and proactive governance, enables our mission, values and strategy to be clearly understood, implemented and perpetually improved.

Resources & Infrastructure

The highest quality of provision is achieved through the sustainable and efficient use of our financial, physical & human resources. We develop and commercialise our facilities to support our strategic goals.

Community Engagement & Partnership

We build mutually beneficial partnerships with TGFS, partner schools, parents, local organisations and residents to ensure TGMS is at the heart of the local community.
